

PL41, PL42 – Montage- und Bedienungsanleitung

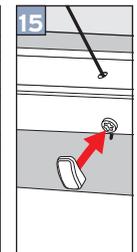

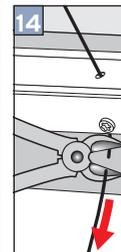

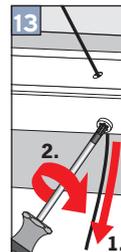

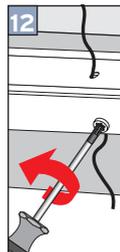

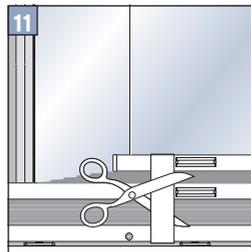

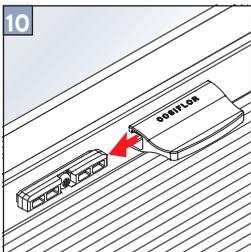

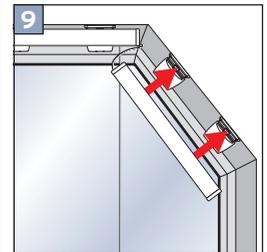

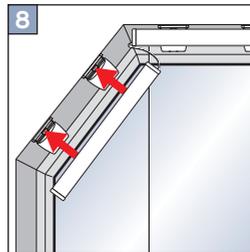

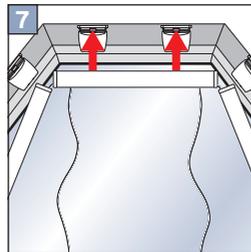

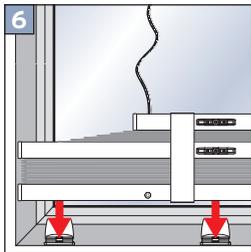

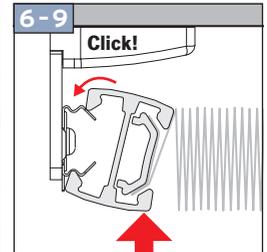

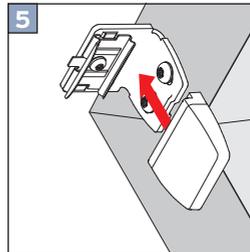

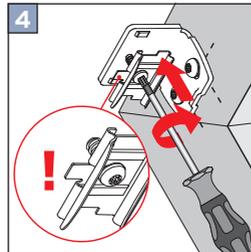

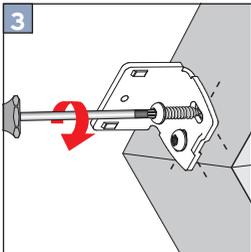

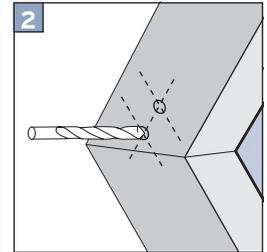

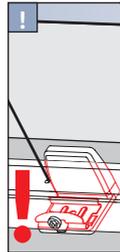

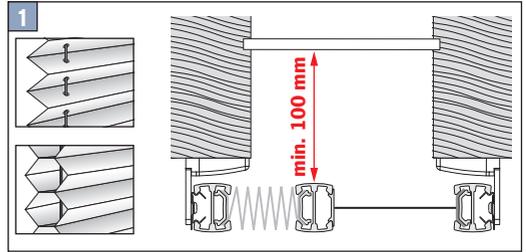

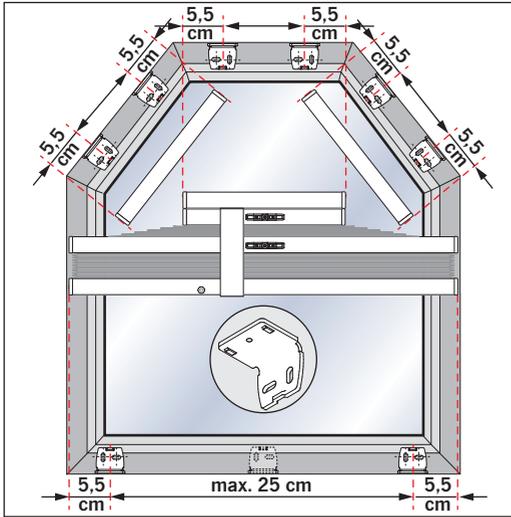

Falzmontage

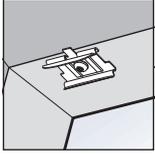

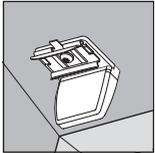

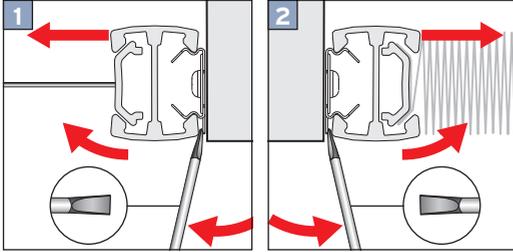

Winkelmontage

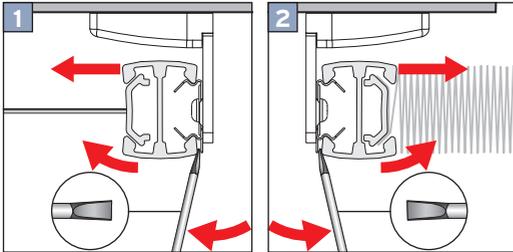

DEMONTAGE

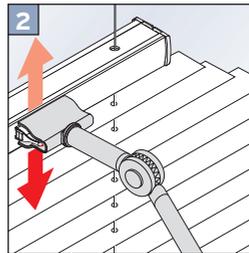

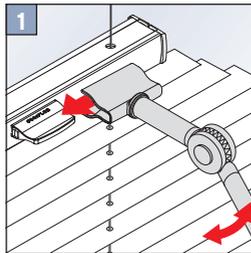

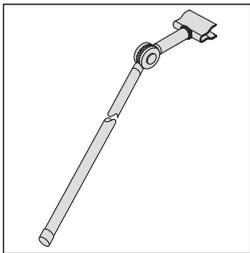

Falzmontage

Winkelmontage

Optional: Bedienung mit Bedienstab

Die Plafond-Anlagen in Trapezform können an den Montageprofilen mit Halteclip oder Wandwinkeln am Rahmen der Wintergartenfenster oder der Dachverglasung montiert werden. An den Plisseeschienen befinden sich Bediengriffe. Zur komfortablen Bedienung kann bei sehr hoch gelegenen Anlagen ein [Bedienstab](#) verwendet werden. Die Bedienstäbe sind in einer Länge von 125 cm, 150 cm, 200 cm oder 250 cm erhältlich.

Hier finden Sie alle [Montageanleitungen](#) für Plissees geordnet nach Modellen
