Mit dem verspannten und frei verstell- und positionierbaren Plissee Faltstore VS2 verleihen Sie Ihren Räumen eine moderne Ausstrahlung und regulieren das Licht ganz individuell: Dieser Plisseetyp hat zwei Bewegungsschienen und ist durch die variable Einstellmöglichkeit (von oben nach unten bzw. unten nach oben) der beliebteste und meist verkaufte Faltstore.

Bei diesem Plisseetyp sind [alle erhältlichen Montagearten](#) möglich - gebohrte Montage direkt vor der Scheibe oder am Fensterflügel. Auch bohrfreie Montagearten zum Kleben oder mittels Klemmträger sind hier möglich.
