

## DF20 – Montage- und Bedienungsanleitung

**Achtung**  
*attention – attention*

Kinder können sich in den Schlingen von Schnüren, Ketten oder Gurten zur Bedienung von Sicht- und Sonnenschutzeinrichtungen verfangen oder sich Schnüre um den Hals wickeln und sich unter Umständen dadurch strangulieren. Schnüre, Ketten und Gurte sind außer Reichweite von Kindern zu halten, um Verwicklungen und Strangulierungen zu vermeiden. Betten, Kinderbetten und Möbel sind entfernt von Bedienungen für Sicht- und Sonnenschutzeinrichtungen aufzustellen.

*Children can get caught in the loops of cords, chains or straps that operate window coverings or they can wrap cords around their necks and strangle thereby. Keep cords, chains and straps out of reach of children to avoid entanglement and strangulation. Move beds, cots and furniture away from window covering operations.*

*Les enfants peuvent se prendre dans cordons, chaînettes ou courroies qui actionnent les stores de protection solaire et visuelle ou ils peuvent enrouler les cordons autour leur cou et ainsi s'étouffer. Maintenez les cordons, chaînettes et courroies hors de portée des enfants pour éviter de s'étouffer ou de s'emmêler. Placez les lits, berceaux et meubles à l'écart des manipulations des stores de protection solaire et visuelle.*

Entspricht EN 13120

Das Plissee-Modell DF 20 ist das beliebteste unserer Dachfensteranlagen. Dank der variablen Bedienung ist es gerngesehene Fensterdeko nicht nur in Schlaf- und Kinderzimmern. Die Dachfenster-Plissees besitzen eine zusätzliche Verspannung, die vor dem Durchhängen in der Dach-Schräge schützt.

Bitte beachten Sie: Die verklebte Montage ist bei Dachfenstern leider nicht möglich.
